<p>Quotations and sayings are part of our language and our way of life. As the poet Emerson <b>says</b>, we use them by necessity, to remind ourselves to look before we leap or avoid crossing our bridges before we come to them. We use them <b>in</b> habit, often not <b>realize</b> we are doing so, and we all love to use an apt quotation to <b>live</b> conversation or score a point in an argument. This booklet contains over a thousand quotations, proverbs and sayings. <b>Altogether</b>, they offer a great deal of information, advice, and comfort. Emerson <b>writes</b> “I have quotations” so it is <b>undoubtful</b> that he would have used this book – but we hope that you will. <b>That</b> you use it to improve your knowledge, as an aid to solve crossword puzzles, to enrich your own speech or <b>simple</b> for idle reading in your spare time, it will put you <b>on</b> touch with some of the cleverest minds of the past and present. Happy reading and quoting!</p>	<p><b>Line 2. said</b></p> <p><b>L.4. by/ realizing</b></p> <p><b>L.5. enliven</b></p> <p><b>L.6.
